Get Up off The Wall, From Zapp Town To Your Town,
Get Up off The Wall)

I'd Love to stay and wait
But the party's bout to start
Me and my ridahz
We bout to blow the spot
We gonna start the party
On the Dancefloor
Where those busters and those haters
Ain't bout to ride no more
If you wanna ride and bounce and roll
Then listen to these notes, and they will let you know

Get Up off The Wall
Why don't you, Get Up off The Wall?
Get Up off The Wall
And let us show you how ta ball
Get Up off The Wall
And put them Bose in yo spot
Get Up off The Wall
And watch em, DROP IT LIKE IT'S HOT!

If you ask me where the party's at, I'm gonna show tha
floo'
Throw yo hands up in tha air on tha dance floor
If you get up off the wall
And keep it real just one more time
Get them girls gon do they thang
They really, really blow your mind
If you wanna ride and bounce and roll
Then listen to these notes, and they will let you know
