[Celina speaking]

Yo this Celina (Ooh)

With a C (Yeah)

Pac you saved me when I was fifteen

Without even being here

Now I'm twenty-two and I'm still here (Ooh, ooh)

This one's for you, uh huh (Yeah) yeah

[Verse 1 - Celina]

Let me take a minute to re-check myself

I been going through a lot and I been praying for some help

I feel the fire burning deep in my chest

Cuz you passed the torch and I know that I've been blessed

With ability, I can do what I do

I can't complain cuz I got a new attitude

If you change the game I can change it too

I did enough chilling now I'm making my moves

[Chorus]

Thank you to the ones who made this for me

I'm trying to be everything you want me

And when I'm done no matter what or where I been

You know I'm down to do it all again

Put my mind to the depths of my soul

I yearn to achieve all my goals

And all my time will be spent

On the ones I miss, I will lament

[Verse 2 - Celina]

All the things you taught me made me who I am

I here my people talking about the things that need to change

For this new generation but nobody's taking action

We can't keep fighting and forever struggling

But you were the one, you left the to's

And now it's time for us to, to bring a new

You could've saved the world but you did saved your girl

Yes you did and I am here to let you know that I thank

you, thank you

[Chorus x2]

[Celina speaking]

I will miss you forever

No one will ever take your place

For the ones I miss, eternally

I will lament

[Verse 3 - Celina]

I know that I've been blessed with ability, I can do what I
do

I can't complain cuz I got a new attitude

If you change the game I can change it too

I did enough chilling now I'm making my moves

[Chorus]

[Celina to fade]

I yearn to achieve all my goals

And I yearn to achieve to all my goals

Yeah, oh
