It's set in motion, so much emotion there's nothing
you won't tell. Too drunk to see straight,
let's get the facts straight,
was it one or ten or five?
You're talking to me with my back against the wall,
you get it right, you're nothing.
If I hear like again I swear we're gonna fight,
we've had it up to here. Was on a friday,
you're feeling surly, and you spread my name to hell.
You talked to Shelly, who talked to Kelly,
and she heard it from a friend.
You're talking to me with my back against the wall,
you get it right, you're nothing.
You're one of those who feeds off the damage that's
been done, that shit ain't right.
-- You heard it from a friend who heard it from a
friend...--
You're talking to me with my back against the wall,
you get it right, you're nothing.
If I hear like again I swear we're gonna fight, we've had
it up to here.
