Where's the headlights?  
(I don't know Danny)  
And am I dead-right?  
(I don't know Danny)  
What about the flashlight?  
(It's right here Danny)  
We'll pass it around and hold on tight

Is it daytime?  
(I don't know Danny)  
What about the grey time?  
(I don't know Danny)  
So pass that flashlight  
(It's right here Danny)  
We'll hold on tight cuz we're coming home

Are we winding up the watch and the clock in the back  
of the hall?  
(I don't know Suzy)  
Minute by minute watching summer turn into fall  
Remember all the times and the rhymes about nothing  
at all?  
(I'm not sure Suzy)  
I'll pass around the light and we'll try to make it to last  
call

It's on right?  
(I don't know Danny)  
What about the batteries too?  
(I don't know Danny)  
You say there's nothing to do?  
(It's right here Danny)  
We'll just pass it around and it's all new

Six-one-two?  
(It's right here Danny)  
Six-five-one?  
(It's right here Danny)  
So where's the Twin Cities?  
(It's right here Danny)  
Well hold on tight cuz we're coming home

Are we winding up the watch and the clock in the back  
of the hall?  
(I don't know Suzy)  
Minute by minute watching summer turn into fall  
Remember all the times and the rhymes about nothing  
at all?  
(I'm not sure Suzy)  
I'll pass around the light and we'll try to make it to last  
call
