Zeo...Zeo...

If you think there's trouble, you might be right,
Watch your back, cuz here they come for you..
Evil villains beware, Zeo Rangers are here,
They won't stop until you're through..

Calling for a...hero..
Zeo Rangers are here today..
Calling for a...hero..
Zeo Rangers...save the day!

Reach inside yourself, you'll find your will is stronger,
Don't give up until they're gone..
All the world is counting on your Powers,
To defeat them, stand and you'll go on..

Calling for a...hero..
Zeo Rangers are here today..
Calling for a...hero..
Zeo Rangers...save the day!

Zeo...Zeo...

Calling for a...hero..
Zeo Rangers are here today..
Calling for a...hero..
Zeo Rangers...save the day!
