Well don't ya know that it's up to you?!  
You gotta do what you can do!  
Well here they come and their hate is willing,  
You gotta stop them, stop those villains!

All the danger's closing fast,  
You better make sure you can last.  
And when it feels like ya just can't win,  
Ya gotta stop them, stop those villains!

Rangers...

Well evil enemies beware.  
The Zeo Rangers are here.  
All you enemies beware.  
Come face them if you dare..villains..now!

Well here they come and they're ready to dance,  
Ya gotta take em out with just one chance.  
When all your strength is wearing thin,  
Ya gotta stop them, stop those villains!

Are ya ready, are ya ready to act?!  
Their evil hearts are power packed!  
And when it feels like ya just can't win,  
Ya gotta stop them, stop those villains!

Rangers..

Well evil enemies beware.  
The Zeo Rangers are here.  
All you enemies beware.  
Come face them if you dare..

Zeo, Zeo, Zeo, Zeo..  
Zeo, Zeo, Zeo, Zeo!

Well evil enemies beware.  
The Zeo Rangers are here.  
All you enemies beware.  
Come face them if you dare..
