Jump into action, anything can happen, When the Rangers return.. When you see trouble.. Go go on the double, Go with power to burn!

Here comes the power again, Here comes the power again..

If you're in a bind, in the nick of time, Help is coming your way.. Every ranger knows, bad guys come and go, But the power's here to stay!

Here comes the power again, Here comes the power again...

Jump into action, anything can happen, When the Rangers return.. When you see trouble.. Go go on the double, Go with power to burn!

Here comes the power again, Here comes the power again, Here comes the power again, Here comes the power again...
