The time has come to stand our ground,
We have the power inside us.
They think they won, but look around,
We won't let evil inside us.

And we won't see another day,
And you won't see another day,
If we don't take them on today...

We are strong, we are tough, we're invincible.
We are here, we are now, we're invincible.
We are strong, we are tough, we're invincible.
We are here, and as one, we're invincible!

They send their best, we will not run,
They set their aims to destroy us.
We can not rest until they're done,
I'm sure they love to annoy us.

And I don't see another day,
And you don't see another day,
If we don't take down on today...

We are strong, we are tough, we're invincible.
We are here, we are now, we're invincible.
We are strong, we are tough, we're invincible.
We are here, and as one, we're invincible!

And we won't see another day,
And you won't see another day,
If we don't take them on today...

Let's go!
We are strong, and we are tough, and we're invincible.
Let's go!
We are here, and we are now, and we're invincible.
Let's go!
We are strong, and we are tough, and we're invincible.
Let's go!
We are here, and as one, we're invincible!
