Mighty lord of the winter snow

Show me how to reach my goal

I need you my north I'm the one for all

Magic rides to my tired eyes

Dying sun for your color shy

And your dress now pink under fading lights

Back again to my tragic past

Beloved far and majestic Kherd

Wait for me, I'm back to conquer my land

Crystal sounds to my frozen ears

Lonely cries of a human wind

For a moonlight dark icy symphony

COLD RAGING WIND FREEZE THE PEOPLE'S SIN

LORD OF THE WINTER SNOW

SPREAD YOUR WINGS ON ALL

LORD OF THE WINTER SNOW

SPREAD YOUR WINGS ON ALL

Magic rides to my tired eyes

Dying sun for your color shy

And your dress now pink under fading lights

Crystal sounds to my frozen ears

Lonely cries of a human wind

For a moonlight dark icy symphony

COLD RAGING WIND FREEZE THE PEOPLE'S SIN

LORD OF THE WINTER SNOW

SPREAD YOUR WINGS ON ALL

LORD OF THE WINTER SNOW
