While the shadows rise and the ravens fly

To the silent wood of Kherd you come now

Memories, ride the silent dream

While the horizons fade to brown of new plains

And the elves of night now cross my way to my new
dawn

And your heart is riding brave against the darkest
shadowlord

I am here to await your soul

PRINCESS AURORA, WONDERFUL VISION

MAGIC LADY OF THE NORTHERN SKIES

KEEP MY HEART AND I WILL FLY AWAY

WITH HIS LOVE

Wonderful, born of miracle

Light my goal to the crystal throne of angels

Fantasies, travelers of my dreams

Steal my essence to blend it with her breath

And the elves of night now cross my way to my new
dawn

And your heart is riding brave against the darkest
shadowlord

I am here to await your soul

PRINCESS AURORA, WONDERFUL VISION

MAGIC LADY OF THE NORTHERN SKIES

KEEP MY HEART AND I WILL FLY AWAY

WITH HIS LOVE
