You can steal what you want, but can you feel real love?
1, 2...

No... Ah! Didn't wanna hurt ya!
But you kept on stressin' me, so I had to break
free... yeah!

You're a liar and I am gettin' tired!
Would you please get off my back?
Coz you's a pain in my neck... ah... mh...

Come on pull yourself together,
Don't play this game forever! No! No!
All I need is luv! Gimme luv! Gimme luv!
Stop foolin' around, foolin' around, messin' around!

So you got to look, to treat a good woman right
Keep her happy all day and all night,
You need luv, gimme luv, gimme luv...
You can steal what you want, but can you feel real love?
Ah...

Player, yah, this is how I call ya!
Could I ever trust in you?
Or could I ever know it's true?
It's so... please let me know!
Tell me is it real, what you got damn feel?!
You gotta pull yourself together,
Don't play this game forever! No! No!
All I need is luv! Gimme luv! Gimme luv!
Stop foolin' around, foolin' around, messin' around!

So you got to look, to treat a good woman right
Keep her happy all day and all night,
You need luv, gimme luv, gimme luv...
You can steal what you want, but can you feel real love?
You gotta pull yourself together,
Don't play this game forever! No! Forever, yeah...
All I need is luv! Gimme luv! Gimme luv!
Stop foolin' around, foolin' around, messin' around!

So you got to look, to treat a good woman right
Keep her happy all day and all night,
You need luv, gimme luv, gimme luv...
You can steal what you want, but can you feel real love?
Tell me can you feel... yeah... real love?
