Uh uh
Au!
Yeah...

You bored me in your home
But me I'm alone
But I don't give a damn baby
Cause don't want you back
To me you're only crap
And life was just startin
Without you my baby
Hope for whatever it takes
Now take a break if you need a break
Now I chill
Just without you my baby
Yeah yeah
Yeah yeah

Don't wanna stop but I think you already did
You Knocked me out my baby
Yeah...

Ouch!
Remember me,
It was all about you baby
Now!
Look at me
I am pleased my soul but lately
Now what I got to do
I ain't nobody's fool
What I got to say
And nothing you could pay with baby
Oh please,
Quit fighting me!
Yeah

I wasn't deep, you were the one
We do every night baby
I gave what I got but
But what did you give
Cause you threwed it and moaned it
When she came your way

The chapter that I have
I get from myself with a good of a help
So I chill
Just without you my baby
Yeah yeah
Yeah...

Don't wanna stop but I think you already did
You Knocked me out my baby
Yeah

Ouch!
Remember me,
It was all about you baby
Now !
Look at me
I am pleased my soul but lately
Now what I got to do
I ain't nobody's fool
What I got to say
And nothing you could pay with baby
Oh please,
Quit fighting me

Want butterflies
To colour write
You're back and I am stucked
It's getting hard but I...
Hurting feelings inside
Yeah...

Ouch!
Remember me,
It was all about you baby
Now !
Look at me
I am pleased my soul but lately
Now what I got to do
I ain't nobody's fool
What I got to say
And nothing you could pay with baby
Oh please,
Quit fighting me

Ouch!
Remember me,
It was all about you baby
Now !
Look at me
I am pleased my soul but lately
Now what I got to do

I ain't nobody's fool
What I got to say
And nothing you could pay with baby
Oh please,
Quit fighting me

YeahYeah oh..
Quit fighting me! Yeah...
YeahYeah... Yeah....
My baby quit fight me...
Quit fighting me
