yeah... uh...

yeah... uh...

yeah... uh...

yeah... uh...

Here we are,

still together

face to face,

you look in my eyes

hope this moment will last forever

how do you feel, baby please don't lie

could it be love you're scared of?

are you feeling insecure?

why don't you try to tell me...

if you can't say then

REFRAIN: Sing me a song

make me feel what you feel

tell me a story to understand

I am with you

Sing me a song

let me hear it from your heart

Cause I need to know...

yeah... uh...

Doing music is your passion

writing words so easy for you

you find it hard to say out loud

all the secrets that trouble you...

could it be love you're scared of?

are you feeling insecure

why don't you try to tell me

if you can't say then

REFRAIN: Sing me a song

make me feel what you feel

tell me a story to understand

I am with you

Sing me a song, let me hear it baby

Sing me a song

make me feel what you feel

tell me a story to understand

I am with you

sing me a song  
let me hear it from your heart  
Cause I need to know...  
Take your gitarre  
And write down what you think  
I gotta know just  
who you are...  
So keep on going  
Say those sweet words  
Fill my heart  
give me strength  
give me love

yeah. uh...  
yeah... uh...  
yeah... uh...  
yeah... uh...

REFRAIN (2x)  
yeah... uh...  
yeah... uh...  
yeaaah...
