She says that I don't understand
She says it's easier for a man
But she don't know what's goin' down

I'm stuck in the sunshine,
No cloud on my heart,
A looking-glass over the head
Full of dizzy stars,

Feeling the wonder
That shoots through my blood
Like a stream,
And this is what is says to me.

We are, we are, we are, we are,
We are, we are, we are, we are, we are the supercool,

We are, we are, we are, we are,
We are, we are, we are, we are the supercool,

Love goes inside you,
I can see,
Upon your heart
It starts to feed

Until it blooms
With shoots of gold,

I'm stuck in the sunshine,
No cloud on my heart,
A looking-glass over the head
Full of dizzy stars,

Feeling the wonder
That shoots through my blood
Like a stream,

We are, we are, we are, we are,
We are, we are, we are, we are, we are the supercool,

We are, we are, we are, we are,

We are, we are, we are, we are the supercool!
