Everybody shares the same obsessionÂ  
a wealthy life in luxury

People craving for the latest fashion  
they'd even die for JewelryÂ

Everyday I got the same impressionÂ  
there's a lack of honestyÂ

Honestly, people follow any wrong directionÂ  
and this is the cause of SLAVERY

SLAVERY  
We abolish SLAVERY

SLAVERY  
We want no more SLAVERY, no no no noÂ

SLAVERYÂ  
We must stop with the SLAVERY right now

help me singin'  
NO MORE SLAVERY

Everybody gonna learn one lessonÂ  
that our life is not for freeÂ

Every moment of lust 'n' temptationÂ  
a human dies in poverty

If you wanna change the situationÂ  
open up your heart 'n' soulÂ

Open up your eyesÂ  
there's so much to do for compensationÂ  
all in the name of SLAVERY

SLAVERYÂ  
We abolish SLAVERY

SLAVERYÂ

We want no more SLAVERY, no no no no

SLAVERY

We must stop with the SLAVERY right now

Why don't you do it? Why don't you want it?

NO MORE SLAVERY

Abolition of SLAVERY!

SLAVERY

We abolish SLAVERY

SLAVERY

We must shake off SLAVERY

SLAVERY

(they won't stop!) but who am I to blame?

SLAVERY

since I became insane

SLAVERY

but isn't it a shame?

SLAVERY

that no one else complains

SLAVERY, WE DON'T WANT SLAVERY

It is said to be true that our consumption is the key

Sorry, don't have a clue how to teach people modesty

SLAVERY, WE DON'T WANT SLAVERY

We could change the world to share our love in liberty

WE DON'T WANT SLAVERY

You know, they are depending on you.

WE DON'T WANT SLAVERY

We are solely counting on you.

C'mon singin!

NO MORE SLAVERY!
