We Ride The Cyclone Of Ages, Me And My Ravenous
Breed
Forlorn Shalt Be Our Fathers, When We Have Reaped
Our Seed
Captured The Truth In Nothing, Denied The Moral Of
Man
Turned To The Meaningless Purity, Where Hatred Is
Void We Stand

Denied, Put Down By Billions, Still It Is Fullfilled
These Visions Rule Humanity, Denial Giving Nil
The Final Solutions' Virtue, The Final Gift To All
Behold The Complete Genocide, Undiscriminating And
Cold
Scorn, Revered Nihilistic Covenant, Guide Us To Our
Reign
Malice, Fullfilled Fascism, Kill In Every Gods Name

Hidden Among Thee, We Hunt The Debris Of Man
And We Behold With Pleasure, Thy Sacred Pillars Turn
To Sand

Our Dominions Infested, With Light And Its Pestilent
Breed
Though Cleansed Shalt Be This Empire, Freedom Of
Loneliness Acheved
Cardinal Hatred, I Am Thine, Cradle Of Atrocities, Thou
Art Mine
Blessed With Eternal Nothingness, The Void Is My
Guide And Sign

In Odium Veritas, The Circle Of Wisdom Complete
Veritas Odium Parit, And It Grows Still
Beyond Even Those Of Darkness, Where Nothing Rules
Or Thrill
