As I Behold The Most Frozen Landscape And Await The  
Dusk To Pass  
I Call Upon A Second Age Where Death And Winters  
Last  
By Fire By Ice And By Dark Rage We Will The World Into  
Eternity Cast  
By Mountains White Under The Moon By The Valleys Yet  
Unpassed  
I Swear Myself The Emperor Of The Most Dark Of Paths  
As I Await The Night To Cloak The World Suddenly I Can  
Speak The Tongue Of Souls Unheard

There By The Falling Sun I Am Granted Wisdoms Known  
To None  
My Tears Have Made My Armor Impenetrable They  
Have Stained  
My Path Is Of Darkness In My Sight Pure Hatred Reigns  
Dark But Yet Enlightened Evil And Yet Just  
Walking The Land Of Lunar Lights Calm I Enter This  
Violent Might  
Convoking Spiritual Oneness With Snow And The Fallen  
Foe

Above And Before I Stood There Glancing Where  
Shadows Of Fires To Come Were Dancing  
And I Saw Through These Glimmering Views Of Snow  
And Frozen Stone  
A Crack From The Skies To Earth's Foundations Then  
Opened My Brothers' Gate  
The Time Has Come To Rise The Banners The Time Is  
Now To Charge  
I Shall Stand Where I Should Fall I Shall Charge Where I  
Should Flee  
I Shall Laugh Where I Should Cry And Hate Where I  
Should Love  
Prepared And Stout I Now Await The Final Dawn  
Releasing All I Have Worn And Gathered Feeding My  
Own Flames  
In The Legion I Shall Come Forth Among Countless Dark  
Names  
A Revenge With No Message A Slaughter Before  
Unseen

As I Behold The Most Frozen Landscape And Await The  
Dusk To Pass  
I Call Upon A Second Age Where Death And Winters  
Last  
By Fire By Ice And By Dark Rage We Will The World Into  
Eternity Cast  
By Mountains White Under The Moon By The Valleys Yet  
Unpassed  
I Swear Myself The Emperor Of The Most Dark Of Paths  
As I Await The Night To Cloak The World Suddenly I Can  
Speak The Tongue Of Souls Unheard

Above And Before I Stood There Glancing Where  
Shadows Of Fires To Come Were Dancing  
And I Saw Through These Glimmering Views Of Snow  
And Frozen Stone  
A Crack From The Skies To Earth's Foundations Then  
Opened My Brothers' Gate  
And For The Coming Eons We Now Release The Legion
