Best friend of mine, we're closer than close
Something very rare to find, we're opposite sexes
We can talk about anything, that's why I love you
And it's hard to try to hide what I'm confessing
That I can't help it, I'm so into you
You send me to the sky
Keep me breathless, oh I'm wanting you
And I can't deny it
I want to be more than this

Cause you give me reason
To fall in love again, but I'll leave it as it is now
For another day, for another day

Bilal:

Best friend of mine, knows what to say
Any time of the day, that's why I call her
She turns me on, ain't afraid to show it neither
Cause baby I'm still a man and you know you want to
too
Cause you take me higher now I'm breathless man
Do you even know that this lust is growing without you
knowing
Hey I wanna show yo ass

You give me reason
For another day, for another day

Tweet:

For another day
Something won't let me be, how can we go on

Bilal:

Let me lay with you while it's full grown

Tweet:

You know I want more from you

Bilal:

You give me reason for another day

Both:

for another day

dayyyyyyy

for another
dayyyyyyy

Bilal: you give me reasons
Both: for another day
