you have  
from head to toe

your house is infested with mice  
and you pick your nose

in-grown nails you lost your hair  
your brand new shirt is ripped and tared

HOW DARE!

your broke you dont have a job  
so thats why you got money from the mob  
thats why there after you

all you do is drink damn booze  
you smell bad i hate you!

why dose life have to be this way  
i wish i were dead or died another day

pass the sharedani  
hope you have a nice stay

JUST GO AWAY!
