CHORUS:

Okay I'll give it to you this way

Okay we'll make love all day

Okay all work and no play

All I can say is okay is okay!

Okay I'll give it to you this way

Okay we'll make love all day

Okay all work and no play

All I can say is okay is okay!

(Cammy)

I dream about us nightly and how we be gettin' fiesty

I want you on my hips while i'm kissin' yo soft lips

You make me want you more and more,

Give it to me till I hit the floor,

I can't make no promises, but I know that you'll be it

Once we start makin' love, they'll be no stoppin' us!

Ooohhh yea yea!

CHORUS:

Okay, I'll give it to you this way

Okay, we'll make love all day

Okay, all work and no play,
All I can say is okay, is okay!
Okay, I'll give it to you this way
Okay, we'll make love all day
Okay, all work and no play
All I can say is okay, is okay!

(Cyrus)

I want you on top of me, while i'm carressin' yo body
I want to feel you, I want to steal you
I'm the one who'll make you hot, my fire's burning and
it won't stop
You make me feel so good, you make feel secure
I'll be all the guy, you'll ever need in ya life
How will you understand?, that I'm only one man!

CHORUS:

Okay, I'll give it to you this way
Okay, we'll make love all day
Okay, all work and no play,
All I can say is okay, is okay!
Okay, I'll give it to you this way
Okay, we'll make love all day
Okay, all work and no play
All I can say is okay, is okay!
