Red lights on the skyscrapers
Snow white all over
Smoky pipes spitting out dirty waters
Daybreak in one hour
Lost clouds, nightmarish shadows
Coming from the dark like black widows
Walking backwards, and endless fall
Makes me loose control
I'm a snowball
Children at school
Candies in their mouth
Blue swimming pools
Facing the south
Golden countries
Inhabited by fairies
Moonlight fading in the rising sun
No need to fight, i'm out of the run
I'm loosing control
I'm a snowball
No use to stay, I run away
Tomorrow will be same as today
It's high time for me to make it
But it's hard time to face
No use to stay, I run away
Why should I stay ?
What could they say ?
It's time for me to break the wall
I'm a snowball
Dad hits mum
Mum hates dad
Family's done
Growing up sad
Dad is fool
Mum is crying
Deep in my soul
Something's breaking
Dad has stopped
To hurt mum
A strange shot
When dad is gone
Mummy's head
Leaning over

Dad is dead
Game over
