I'm gonna ask you for your love
I cannot wait for the break of day
The sun will shine above
And you will be so far away
Though moments come and go
I can see - This is the last with you
This is the chance of a lifetime tonight
Not gonna wait till you're out of sight
This is dawn of a new day tonight
Now that the time is right
So in the silence of the night
We must face up to our destiny
The stars are shinnig bright
And you are here in the dark with me
Though moments come and go
I can see - This is the last with you
This is the chance of a lifetime tonight
Not gonna wait till you're out of sight
This is dawn of a new day tonight
Now that the time is right
This is the chance of a lifetime tonight

Not gonna wait till the sky is bright
This is the start of an era tonight
Now that the time is right
Though moments come and go
I can see - This is the last with you
This is the chance of a lifetime tonight
Not gonna wait till you're out of sight
This is dawn of a new day tonight
Now that the time is right
This is the chance of a lifetime tonight
Not gonna wait till the sky is bright
This is the start of an era tonight
Now that the time is right
Tonight - The chance of a lifetime tonight
Tonight - The start of an era tonight
