Blasting the gates to the four defiled streams  
Columns of bodies, smoke and ashes, screams of  
torment  
Engines stroke with bodies, spiked wheels spit the  
flesh  
The wall of symbols shakes with our clashing of the  
ground... the holy  
Ground  
Adharma Taptra!!!

Armoured legions, black congest  
Death engines, black congest  
Spreading death, legion as one  
Spreading death, black fucking multitude...

They whip their truths on your dead thirsty soul  
Peace is a bitch raped by it's own will  
Worms of eve, Eden decease  
Time drunk flesh, genetic evil inheritance

We're the venomous manna of the womb idol mass  
Malign interceptors, black tanks, storming menace  
A trial before the whore, blessed by Christ  
And I wash the human waste, menstrual larvae

Spat from the ribs of Christ the blood fed worms of  
time  
The demon's semen flows from the cunt-shaped  
wound

Disguised in misery, degenerated, drugged angels  
Inspired by cruelty, holy disaster, the end is near

Armoured legions, black congest  
Death engines, black congest  
Spreading death, legion as one  
Spreading death, black fucking multitude...

Hell conquerors, whirlwinds of the night falling  
disgrace  
Hell conquerors, the final season, always riding forth

Hell conquerors, whirlwinds of the night falling  
disgrace  
Hell conquerors, the final season, always riding forth  
Reign of the Hell Conquerors
