And I said before
I don't want no more
And I can't complain
'cause my minds insane

I won't say it again and I won't even think about it
I just hope you believe me but I
think that you're gonna doubt it
when I say it again

As I said before
I don't want no more
And I can't complain
'cause my mind's insane

I won't say it again and I won't even think about it
I just hope you believe me but I
think that you're gonna doubt it
when I say it again

Leaves on the trees
Nothing more to believe
I can't be sure
And I know I'm not crazy
Life is just a pleasant breeze
Tides rush the shore
Pleasing me a little more
Nothing here to fight me
Everything delight's me
Hope I get my tea by 4

But don't lay no second laughs down my way
Don't let the evening's that devour you lie forever
Don't you lay no second laughs down my way
Don't let the evening's that devour you lie forever

As I said before
I don't want no more
And I can't complain
'cause my mind's insane

I won't say it again and I won't even think about it

I just hope you believe me but I
think that you're gonna doubt it
when I say it again
