What do you do when your old lady catches you
In bed making love hot and heavy with another woman
Nowhere to hide no excuses no
Pleasing her with promises
You'll never mess around again you lose her

You gotta be free
Hey-you-and-me
I know we'll be free
Ahhh yeah - do it, stop it gonna
Shake it, shake it, shake it, shake it
Ahhh yeah!!!!

How many times can you lie daily saying that you're
Not making love hot and heavy with another woman
Nowhere to go no escaping no
Explaining how you'll
Never mess around again you know
You're gonna lose her

Ooh yeah, you gotta be free
Hey-you-and-me
I know we'll be free
Ahhh yeah - do it, stop it gonna
Shake it, shake it, shake it, shake it
Ahhh yeah!!!!

Solo

You gotta be free
Hey-you-and-me
I know we'll be free
Ahhh yeah - do it, stop it gonna
Shake it, shake it, shake it, shake it
Ahhh yeah!!!!

Gotta be free
You gotta be free now
Gotta be free
You gotta be free oh now
You gotta be free
You gotta be free lord oh!!!
