You got to go loco, this ain't no joke yo
Too much hype on the television radio
What you want to buy and what you want to be
'Cause what you want is right there on the TV screen
And you be down with what they're selling
MTV got everybody yellin'

Get off
Get off on it
Get off on what you want when you want it (x 2)

Chorus:
Running & running & running through through my head
They tell you it was good forever
But I know that it's now or never (x 2)

These times are trying, kid I ain't lying
'Cause everyone's got something to sell when you're
buying
What you want to look like and what you want to be
'Cause what you want is right there on the TV screen
And you be down with what they're selling
MTV got everybody yellin'

Get off
Get off on it
Get off on what you want when you want it (x 2)

Chorus

Take away from me, away from me yeah
Take away from me, away from me yeah
Take away from me, away from me yeah
Take away from me, away from me

solo

Get off
Get off on it
Get off on what you want when you want it
Get off

Get off on it
Get off on what you want, what you want, what you want

Chorus

Take away from me, away from me yeah
Take away from me, away from me yeah
Take away from me, away from me yeah
Take away from me, away from me
