Don't' do anything I wouldn't do  
Pass me anyway, like I'm a fool for you  
Passionate anyway  
Walkin' out the back door  
Used to be alive until just now  
It's just becoming unreal

You're only losing your heart  
It's nothing critical  
You wont believe it till it starts  
You're only losing your heart  
It's not unusual  
It's only tearing you apart

Don't' do anything I wouldn't do  
Pass me anyway, lie like a fool

Laugh at me anyway  
Walkin' out the back door  
Used to be alive until just now  
It's just becoming unreal

You're only losing your heart  
It's nothing critical  
You wont believe it till it starts  
You're only losing your heart  
It's not unusual  
It's only tearing you apart

Oh, how can I be  
So far away  
Without a reason?  
Should I know  
How not to lose?  
How can I not  
Follow you anywhere?  
But I'm lost  
Take me away!

Takin' all my time, make me a choice

Passionate anyway

Walkin' out the back door  
Used to be alive until just now  
It's just becoming unreal

You're only losing your heart  
It's nothing critical  
You won't believe it till it starts  
You're only losing your heart  
You can't believe it to be  
The thing that's tearing you apart  
You're only losing your heart  
It's nothing visual  
You won't believe it till it starts  
You're only losing your heart  
The thing you're dreamin' of is  
The thing that's tearing you apart

Even though I'm wasting my time
