[Monoxide]

Let me shave that pussy  
I should've knew she was a freak by the way she  
walked  
And when I talked to her it was like she never got  
caught  
To this day she swear to God it wasn't shit  
Unless she straight up just tripped and fell up on a fat  
dick  
I know I been around the block a few times  
So I really didn't mind that her mouth had some stretch  
lines  
She had me thinking I'm a straight up mack  
When in fact I'm just another who can hit it from the  
back  
And attack her intestinal tract and leave a puddle of  
spat  
Down the middle of her pimped ass crack  
And then smack, I had to give that bitch a black eye  
Because the pussy just don't feel right, don't know why  
I thought I was the shit and had this all on lockdown  
Come to find out that my girl's just a cockhound  
I couldn't deal with it, I had to bail out quick  
Cause that bitch just love sucking strange dick

She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you  
She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you

[Shaggy 2 Dope]

What up young freaky freak, tantalizing tender  
Ain't seen you in a week and you know I'm on the tether  
Whatever, I'm free at 3:45 remember  
I'll call you around eight o'clock and we can get  
together  
Damn, now this bitch she should do a thing or two  
Grabbed my meat and did the electric boogaloo  
Aww shit, what the fuck she did  
Had my nuts kick stepping and my wang did the jig  
That ain't shit, check it out homey

Pull my wallet out my pocked and check my ID  
For sure, just to make sure it's me  
And I'm a Michigan and coming straight from the D  
We dicked it up, yeah, we dicked it down, yeah  
I hit it from the back, she gave me ridges around  
But fuck all that, instead I gave her a call  
\*Pause\* ...Paul?

She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you  
She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you

[Jamie Madrox]  
Son of a bitch, this bitch got big old  
Hickies on her neck and dick on her breath  
Trying to kiss me, talking about 'hey boo'  
What the fuck's wrong with you, dumb bitch  
You coulda brushed your teeth after licking his balls  
You coulda had the decency to give me a call  
I was worried like a motherfucker hopin' you was  
straight  
While you was sucking and fucking some strange  
trousersnake  
I thought I was the only python in your thong, bitch  
That's the same pussy that I put my fuckin' tongue onto  
it  
Exactly how long has this been happening  
You going to random men just for action  
What am I, some kinda dumb lame fuck  
Or just another dick in your butt  
Say somethin', were you tryin' to crush my heart just for  
fun  
It was my fault for thinking when I thought I was the  
only one

She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you  
She said I'm the only one, said I'm the only one  
Said I'm the only one, fuck you
