I seem to know a lot about you

I only have to look within myself.  
We're similar in every notion  
a very sympathetic motion.  
Together we are strong  
no one can get between the -

Two of us  
we'll never fade - two of us  
we celebrate -  
Two of us  
in love and crime

revolving in a synchronistic rhyme.  
Two of us  
we share the weight - two of us  
we elevate -  
Two of us  
we spread the news  
That one and one is something more than two.

And if you notice indications

the situation's easy to construe.  
I feel a pulse of information  
a symbiotic jubilation  
too.  
One you and one of me  
one single destiny and -  
Two of us  
we'll never fade - two of us  
we celebrate - . . .

One you and one of me  
one single destiny and -  
Two of us  
we'll never fade - two of us  
we celebrate -  
Two of us  
in love and crime

revolving in a never-ending rhyme. . . .

Two of us  
we'll never fade  
two of us  
we celebrate -  
Two of us  
in love and crime

revolving in a never-ending rhyme.
