Burnin' lips, fiery red
Beehive hairdo on top of her head
Silver tip boots and strawberry curl
She's a crazy rockin' rollin' red headed girl
Don't need no fast talker feedin' her lines
She just wants to have a rockin' good time
Tells everybody that her name is Pearl
She's a crazy rockin' rollin' red headed girl
Ooh huh, she's so fine
Ooh yeah, I'm gonna make her mine
The kind of woman that I'm talkin' about
Rock you in and roll you out
She's a crazy little rockin' rollin' red headed girl

Ooh yeah, she's so fine
Oh oh, I'm gonna make her mine
The kind of woman that I'm talkin' about
Rock you in and roll you out
She's a crazy little rockin' rollin' red headed girl
Ssssh...
Well, she's a fast talkin' love taker shufflin' her feet
She likes to dance to that rockabilly beat
A red hot mama in a hillbilly world
She's a crazy rockin' rollin' red headed girl
Ooh huh, she's so fine
Oh oh, I'm gonna make her mine
The kind of woman that I'm talkin' about
Rock you in and roll you out
She's a crazy little rockin' rollin' red headed girl
Yeah, she's a crazy little rockin' rollin' red headed girl
Oh, she's a crazy little rockin' rollin' red headed girl
Oooh yeah...
