Will it ever be
Im trying so hard to find sweet serenity
Are you still afraid
Just close your eyes and dream
The feeling fade away

*Time won't flow
Everyone knows
When the pain fades away
Dreams won't die
Tears in our eyes
You've got to hold your head up high

Ye...yey
Hold your head up high...
ye...yey
Hold you head up high...

Just take it sometime
And I'd given up the will
To change your state of mind
Just try and understand
Its not so hard to see
That i am just a man

*Time won't flow
Everyone knows
When the pain fades away
Dreams won't die
Tears in our eyes
You got to hold your head up high

Ye...yey
Hold your head up high

*Instrumental
