

Zed "Holding Out"

Visit "[Holding Out](#)" on MotoLyrics.com

Something else is bound to break before I do
If someone's gonna take me out
I'll never let them hear a sound

Cos something else is bound to give
Before I'm through
If I'm about to take a fall,
Someone else is already gone

But I say hey,
Throw me down a line I'm out of luck
You're holding out on me won't you help me up
Hoping that you'll be,
Holding out for me

I say hey,
Throw me down a line I'm out of luck
You're holding out on me won't you help me up
Hoping that you'll be,
Holding out for me

Heeeeey...Heeey...
