Oh Daisy won't you tell me a secret
Tell me something everyone wants to know
I've been sitting there inside the little box in my head
Waiting for an answer, waiting to understand

Oh Daisy won't you tell me a fortune
Living out my dreams of sunny days
I've been living there inside the little box in my head
Waiting for an answer, but Daisy she never talks back

What you expect from someone who is named after a
cow yeah
Go figure
I won't get an answer from someone who is named
after a flower
Go figure

Oh Daisy won't you tell me a story
Tell me something about a boy and a girl
Just let them sit with me inside the little box in my head
Waiting for an answer, waiting to understand

Oh Daisy won't you stop acting stupid
I'm getting sick of your whole attitude
Come and sit with me inside the little box in my head
Waiting for an answer, but Daisy she never talks back
What you expect from someone who is named after a
cow yeah
Go figure
I won't get an answer from someone who is named
after a flower
Go figure

What you expect from someone who is named after a
cow yeah
Go figure
I won't get an answer from someone who is named
after a flower
Go figure

But what you expect from someone who is named after
a cow yeah

Go figure
I won't get an answer from someone who is named
after a flower
Go figure

Oh Daisy won't you tell me a secret
Tell me something everyone wants to know
I've been sitting here inside the little box in my head
Waiting for an answer, but Daisy she never talks back.
