I played the game of love and lost
To You.
I paid what I had to pay
To You.
My heart is aching,
My mind has mistaken
All of the good things that
I thought were in you.

I don't see you standing there.
Before my eyes you did appear,
It doesn't matter to me -what you say,
Just as long as you go away-
And leave me here
To face the world alone.
Maybe I'm not as strong
As I thought,
Maybe You Were Right
And I was wrong.

I don't hear you calling me.
I might be listening but your eyes betray.
I don't have anything- to talk about
So once again please go away-
And leave me here
To take it on my own.
Maybe I'm not as strong
As I thought,
Maybe You Were Right
And I was wrong.

Maybe You Were Right
And I was wrong.
