"Smiling Eyes"

You and me, seem to be.
Seem to be good together. Seem to match well
together.
Finally, I feel like I,
I can be myself with someone, that I can really share
with someone.
Finally.

When you look at me, look at me with your smiling
eyes,
I could stay forever, held within this dream.
A dream with so much colour, so much light it's
blinding,
I could stay forever, lost within your eyes.

Warm inside, this feels so right.
You really know how to charm me. You've cast a spell
and now you have me.
You take me, completely.
No need to wear my mask for you. No need to hide
myself from you.
Finally.

When you look at me, look at me with your smiling
eyes,
I could stay forever, held within this dream.
A dream with so much colour, so much light it's
blinding,
I could stay forever, lost within your eyes.

I must say, how I feel today.
I've never felt this strong for someone, I've never felt
such love for someone.
Feels so deep, I want to keep,
Learning how to be together, share our lives and grow
together.
Finally.

When you look at me, look at me with your smiling
eyes,
I could stay forever, held within this dream.

A dream with so much colour, so much light it's
blinding,
I could stay forever, held within your eyes.
