So you want to be a hero
Pull the trigger and you're fast asleep tonight
So you want to be a hero
You've got the aces, better lay the cards down right
Tonight, Tonight, Tonight

Bank account is reading zeroes
You pull the money from beneath the floorboard hold
Walk to the mirror like Deniro
You flash your guns and then you wait for it to all
Unfold, unfold, it all unfolds

And now you're running as the years flow
And now you're waiting just to fall asleep to dream
Your head is humming and your ears know
And all you wanted was a chance to see it all
Explode, explode, it all explodes

Yeah yeah
