Small girl with the smiling gibbon  
Bridled with an orchid ribbon  
His curved brow in Scarlatti fashion  
Boots that ride the night sky eagle

Salamanda Palaganda, oh, Palamino Blue  
Salamanda Palaganda, oh, June's buffalo too  
In the Parisian zoo, zoo, zoo, zoo, zoo

An old crone squirms upon a cushion  
Made from Madras silk and satin  
Her steel eyes hold a scimitar passion  
For the skull hewn in Scarlatti fashion

Salamanda Palaganda, oh, Palamino Blue  
Salamanda Palaganda, oh, June's buffalo too  
In the Parisian zoo, zoo, zoo, zoo, zoo - do-it-ju-hoo

A cobra seer with the punctured ear  
Slaughtered on a Malayan sun bear  
Night stood erect with bronzen haunches  
Zapped the seer and gave the bear back to us

Salamanda Palaganda, oh, Palamino Blue  
Salamanda Palaganda, oh, June's buffalo too  
In the Parisian zoo, zoo, zoo, zoo, zoo

Salamanda Palaganda - do-it-ju-hoo  
Salamanda Palaganda - do-it-ju-hoo  
Salamanda Palaganda - do-it-ju-hoo  
Salamanda Palaganda - do-it-ju-hoo  
Salamanda Palaganda
