She was born to be my unicorn
Robed head of ferns cat child tutored by the learned
Di-di-di-dip

Darkly ghostish host haggard vizier of the moats
Seeks the sandled shore of God's baby of the moors
Di-di-di-dip

The night-mare's mauve mashed mind sights the
visions of the blinds
Shoreside stream of steam cooking kings in cream of
scream
Di-di-di-dip

Jackdaw winter head cleans his chalcedony bed
A silken word of kind was returned from Nijinsky Hi-hi-
hi-hind
Di-di-di-dip

Giant of Inca hill loosed his boar to gorely kill
The dancing one horned waive in doublet of puffin-bill
Di-di-di-dip

The beast in feast of sound kittened lamb on God's
ground
Ridden by the born of horn, jiggled like a muse on life's
lawn
Di-di-di-dip

She was born Lord to be my unicorn
Doodle-dob-a-deedle-dob-a doi-doi-doi-doi
Di-di-di-dip
