I'm down to my last  
Stick of cigarette  
I'm down to the last thought  
In my head

You saw me  
Packing my bags  
You asked me  
If I was coming back  
And I told you  
That I wasn't sure  
And I'm  
5 steps away from out the door

Darlin' it ain't easy  
For me to say goodbye  
But I have found myself another guy

You look confused  
And I don't blame you  
But you're never around  
Enough for me to love you  
Me to love you

Darlin' you don't deserve me  
You don't deserve my love  
I had plenty to give  
But you shrugged it off

Don't think I don't know  
About the hair on the pillow  
And it seems like what we had was just a show  
Was it all  
Just a show?

Darlin' it aint easy  
For us to say goodbye  
I just hope that we'll have better lives
