Go into a scene,  
Ignorance and greed,  
Dominance is a poor excusion  
Mother is a queen,  
Father was obscene  
Always never meant to be

Now i spend my time goin all around  
For my man was no where to be found  
Did i find him?  
Never going, stop searching,  
Going to find my man,  
Gonna travel around

Cus im a wrathchild  
Wrathchild,  
Im a wratchild,  
Gonna get you, oh yeah

Say it was the man,  
Nothing left for me  
Nothing in the destination  
Now i got to find  
Soon as i can mind  
Or else i'll just go crazy

Now i spend my time goin all around  
For my man was no where to be found  
Did i find him?  
Never going, stop searching,  
Going to find my man,  
Gonna travel around

Cus im a wrathchild  
Wrathchild,  
Im a wratchild,  
Gonna get you, oh yeah
