Come on down to the  
Lake there ain't much to do  
Sit down have a drink  
Watch the sun break

Enjoy life as it is  
Don't need no expectations  
Just down at the lake  
Watchin the waves roll in

Later we'll be on the water  
In my john boat  
Watching the buoys float  
Just us watchin waves hit the boat

Killin time with fishing poles  
Fish are bitin good  
Pullin out catfish  
Reelin in the bass

Enjoy life as it is  
Don't need no expectations  
Just down at the lake  
Watchin the waves roll in

Killin time with fishing poles  
Fish are bitin good  
Pullin out catfish  
Reelin in the bass
