Brothers and sisters, This is a message.
I'd like you to listen carefully to what I have to say:

Chant from God, yes
As the world keeps on turning
A fire in man's soul keep on burning
Table of life y'all keeps on turning
And the brother in heart just keeps on yearning
I said

Keep life table turning , all you brothers and sisters,
Keep the fire of love in your soul burning
Keep life table turning, I'm begging you brothers
Keep the fire of love in your soul burning

I've seen brother killing brother for a piece of bread
Sisters envying sisters for a brand new dress
Ain't that sad !

Keep life table turning, yeah, yeah, yeah
Keep the fire of love in your soul burning
Keep life table turning, come on my brothers
Keep the fire of love in your soul burning

The morning papers,
Murder fills the headline news
And deep in my soul
You know I'm so confused

Keep life table turning, I'm on bended knees, brothers
Pleading to you , let's live in love
Keep life table turning, come on my brothers
Keep the fire of love in your soul burning
