I'm a slave to your love religion...
I believe in obsession, baby
You're driving me insane
I'm addicted to your sweet lovin'
A Venus in chains

If I resign to this big temptation
You're the one to blame
Made me an addict of passion
Like a Venus in chains

Here's Venus in the chains of love
Feels so good, can't get enough
Chained up to her destiny
All you need is fantasy

Step inside this vacant dream
Let me show you what it means
I'll convince you - here's your fate
Step right in and celebrate

I believe in obsession, baby
You're driving me insane
I'm addicted to your sweet lovin'
A Venus in chains

If I resign to this big temptation
You're the one to blame
Made me an addict of passion
Like a Venus in chains

If I resign to this big temptation
You're the one to blame
Made me an addict of passion
Like a Venus in chains

I will surrender to love's seduction
Take venture as a game
'Cause I'm a slave to the love religion
A Venus in chains

I'm a slave to your love religion...

I believe in obsession, baby
You're driving me insane
I'm addicted to your sweet lovin'
A Venus in chains

If I resign to this big temptation
You're the one to blame
Made me an addict of passion
Like a Venus in chains

You came, you saw and you conquered, baby
You took away the pain
Now I'm a slave to your love religion
A Venus in chains.
