[U-God]

My mother said my father was a real livewire  
Hustled on the avenue of Lennox  
That he was a don, shot dope in his arm  
Paid visits to the methodon clinic  
A straight womanizer, no religion  
He just leaned on bitches  
His name rung in the slums, niggaz run for they gun  
Blood thirsty, he was so vicious

[Chorus: U-God (Ebony Burke)]

Poppa was a rolling stone (he left a long time ago)  
Poppa was a rolling stone (he never ever was at home,  
no, no)  
Momma said daddy's dead (stop messing with the  
baby's head)  
One day he'll grow up strong (one day he'll be a man)

[U-God]

Momma said father was a mean muthafucka  
A clean muthafucka, a lean muthafucka  
Got money in the pot, got his pops in the block  
For sellings rocks, a dope fiend, muthafuckas  
He struggled all his life, got blood on his knife  
Light skinned, he had your eyes  
But my mother couldn't handle him  
The liquor, the gambling, plus he had four wives

[Chorus]

[U-God]

My mother said my father had a real bad temper  
Loud, wild, he was too foul  
With no hesitation, he would kill you  
With no education, he was still proud  
With his brother Big Harvey, he did a bank robbery  
A car flipped, all the money spilled out  
Before it was done, police caught him with some  
Riddle of bullets, he died in a shootout

[Chorus 2X]
