(Intro)

(Verse 1)

I'm opening my heart to, anyone affected,
But all they do is ignore, and turn back around.
Then spit on everything I stood for,
I can't do anything anymore,
To convince them that I overrule,
In my heart, in my heart, soul, and mind.

(Chorus)

Imperfections, Imperfections,
I don't know anybody who has them.
Perfections, oh perfections,
There's only one girl who I think is perfect,
Perfect to me, but who am I,
With these imperfections.

(Verse 2)

All my life, I've been put through so many things,
For Christmas, I didn't even get five golden rings,
Why is it so hard for me to explain,
My feelings for the girl of my dreams.

(Chorus)

Imperfections, Imperfections
I don't know anybody who has them.
Perfections, oh perfections,
There's only one girl who I think is perfect,
Perfect to me, but who am I,
With these imperfections.

(Bridge)

Why is it always the same routine,
It seems like everyone is laughing at me,
Sometimes all I want to do is scream,
Out loud, but nobody cares, there's nowhere to go.
But she's always been there for me,
Someone to talk to, the girl of my dreams,
But she never even seems to see,

Through all of my.....

(Chorus)

Imperfections, Imperfections

I don't know anybody who has them.

Perfections, oh perfections,

There's only one girl who I think is perfect,

Perfect to me, but who am I,

With these imperfections.
