Darling, hold on to my love,
hold on to my touch, a little bit more,
For all affection, that I've grudged you,
For all loads I let you carry, I owe you
Ashamed to be someone, who took you for granted,
Who took and demanded, the whole of you
So darling, hold on to my love, hold on to my touch,
a little bit more,
'Cause I'd be broken, I'd be broken, I'd be broken,
without you.
All the visions, would mean nothing,
I need your touching a little bit more,
'Cause I'd be broken, I'd be broken, I'd be broken,
without you.
From now on, I'll always share my loving mind,
I'll put my heart into your soul,
I'll be tender, I'll defend for you,
I'll give it all, that belongs to you.
