I've been waiting for the wind to change,
I've been craving the summer rain,
I wonder when she's gonna flood the plains.

Will I dies before I get old?
Will I be known or unknown?
Can you tell me why all the birds have flown?

I don't wanna leave a message if there's nobody home.
I thought I saw you through the window, but I don't
know.

Sting in my eyes: It's a dust storm.
Quiet outside: It's a dust storm.
Weatherman lied: It's a dust storm.

I've been waiting for the moon to rise.
She's so luminous and wise.
When she flirts with me, I feel shy.

I don't wanna leave a message if there's nobody home.
I thought I saw you through the window, but I don't
know.

Sting in my eyes: It's a dust storm.
Quiet outside: It's a dust storm.
Weatherman lied: It's a dust storm.

Lonely, desolate,
Uninhabited,
In the reaches of no one, nowhere.
Come hear your voice again,
Shifting sediments.

But I don't know...

Sting in my eyes: It's a dust storm.
Quiet outside: It's a dust storm.
Weatherman lied: It's a dust storm.

Miles and miles: It's just a dust storm.

Feeling in they sky: It's just a dust storm.
Will it pass by?: It's just a dust storm.
Ohh....
