Small town life got bigger everyday.
She was thinking wife and I was thinking date.

It was one year off and one year on.
Wanted to be the muse to every song.
Digging through my things that don't belong to her.
They're mine and she's gone.
I let go of that girl, not with that crazy woman anymore.
Had to let go of that girl, not with that crazy woman
anymore.
Crazy woman anymore.

Small town girl wanted to have property.
That isn't what I am. I am just a guy, you see?

It was one year off and one year on.
Wanted to be the muse to every song.
Digging through my things that don't belong to her.
They're mine and she's gone.
I let go of that girl, not with that crazy woman anymore.
Had to let go of that girl, not with that crazy woman
anymore.
Crazy woman anymore.

I phoned her up, told her that we had to chat.
At Apollo's Bistro, that's where we met up at.
She showed up fashionably late wearing her favorite
hat.
I broke the news and well,
that was that. That was that. That was that. That was
that.

It was one year off and one year on.
Wanted to be the muse to every song.
Digging through my things that don't belong to her.
They're mine and she's gone.
I let go of that girl, not with that crazy woman anymore.
Had to let go of that girl, not with that crazy woman
anymore.
Crazy woman anymore.
Let go of that girl, not with that crazy woman anymore.
