I am unbreakable,
But it looks like I could sometime soon.
You are unreachable.
About as possible as me touching the moon.

I am unraveling, unbearably empty.
And if this ground gives way,
I just hope that you'll catch me.

You came and saved me tonight.
Defending all my life.
Whoa, now I'm content with my breath,
'Cause I'm alive.

And this is the epitome,
Of everything you see in the movies.
And this world is a time bomb ticking,
And I think that I could stop it if you help me.

I am unraveling, unbearably empty.
And if this ground gives way,
I just hope that you'll catch me.

You came and saved me tonight.
Defending all my life.
Whoa, now I'm content with my breath,
'Cause I'm alive.

My faith will never rust.
No longer prone to bust.
Oh, finally I believe...

You are unreachable,
But it looks like I could sometime soon.
I am unraveling, unbearably empty.
And if this ground gives way,
I just hope that you'll catch me.

You came and saved me tonight.
Defending all my life.
Now I'm content with my breath,

'Cause I'm alive .
