Wait right here boy.
I'll be back with another man's hands in mine.
Please quit your crying.
This kind of stuff happens all the time.
And if you really want to know my reasons,
Be ready to catch your jaw,
Before it hits the floor.

You did the best that you could do and I'm oh so proud
of you.
Please forgive my bad examples I just did not know
what to do.

I never meant to hurt anyone by cheating.
I just felt so alone.
I'm sick of being in it for the kid.
I never meant to hurt anyone by sneaking,
Around and upside down.
The whole world is crumbling in my hands.
Oh please don't tell dad.

It's not the end of the world.
Statistics show that I'm just another case.
Please don't tell anyone.
Unfaithful I broke under the pressure,
But at the moment it just felt right.
I don't know how I'm going to go home tonight.

You did the best that you could do and I'm oh so proud
of you.
Please forgive my bad examples I just did not know
what to do.

I never meant to hurt anyone by cheating.
I just felt so alone.
I'm sick of being in it for this kid.
I never meant to hurt anyone by sneaking,
Around and upside down.
The whole world is crumbling in my hands.
Oh please don't tell dad.

I felt like I was invincible,
But it turns out I'm not.
I am only human and I always will be.
Now could you please forgive me,
Right now.
